We are...

At Aprocassi, we have 26 years of experience in producing high-quality coffee, while promoting the comprehensive development of our producers. We are committed to a sustainable approach that integrates training, technical assistance, and opportunities in fair markets.

More than a cooperative, we are a family moving forward together, committed to excellence, sustainability, and collective growth. Inspired by our motto, "The family, pillar of sustainable development," we strengthen core values such as solidarity, loyalty, equity, and transparency.

MISSION

To promote the sustainable development of coffee-growing families through innovative and competitive services linked to the coffee value chain.

VISION

To be a leading cooperative in sustainability, strengthening the loyalty of our members.

OUR HISTORY

2000

Established on March 14 as the Provincial Association of Solidarity Coffee Growers of San Ignacio (APROCASSI).

2008

A new office is opened in the province of Jaén, Cajamarca.

2012

The creation of Aprocassi Coffee Roaster is driven by the vision and commitment of a group of entrepreneurial women.

2022

"We joined the new Law of Agricultural Cooperatives No. 31335 - Law for the Improvement of Associativity of Agricultural Producers' Cooperatives."

2001

Fair Trade certification is obtained, enabling the first export to the United States.

2010

Transformation from an association into a Multi-Service Cooperative - Aprocassi.

2018

The digitalization phase begins, with the goal of improving and streamlining operational processes.

2026

"Aprocassi now has a strong team of professionals ready to face new challenges and opportunities in the coffee industry."
